

Live Life Smart with LiveSmart Fabrics

Whether it's dirty little hands, muddy paws, or a spilled glass of wine, life's everyday messes happen. LiveSmart fabrics resist the stains made by these everyday accidents. With their moisture repellency and stain resistance, LiveSmart fabrics keep your furniture looking and feeling as beautiful as the day you bought it.

LiveSmart fabrics are produced exclusively with low denier performance yarns that are encapsulated with a stain and moisture repellent finish. Spills bead up on the surface of the fabric instead of penetrating into the cushion. With their unsurpassed cleanability, LiveSmart fabrics are performance fabrics you can trust. LiveSmart by Culp is an array of coordinated fabrics and colors that are designed to look as good as they perform!
